Emily Herr

To Whom It May Concern,

I would like to recommend Emily Herr for the intern position with senator Hassan. She is a hard worker who isn't afraid of a challenge. She overcomes any obstacle and works towards the goal of the team. She is not only great with teamwork, but she is a natural leader. In my experience working with her, she has been dedicated to assignments including learning new skills and researching to reach a higher level of understanding for any assignment. She is not afraid to commit.

In my time working with Emily, she has shown she has a lot of skills that fit many areas, but she has a business mind. She can complete many tasks within the same timeframe without any of them suffering in completeness or professionalism. I honestly think she is the type of person who acts as a role model for other people on her team.

I know that she has a lot of social justice, humanitarian, and community services in her background. She devotes her time to helping others. She stands up for what she believes in and can work with many types of people. She has always helped her teammates succeed and she's not afraid to step in and help them out.

I believe that Emily is the best candidate for this internship, and you'd be lucky to have her on your team. If you need any more information, feel free to contact me at: [sendbad66@yahoo.com](mailto:sendbad66@yahoo.com). Thank you.

Sincerely,

Huda Alshawy
